Elevator Pitch: ICS Progress and Challenges from across England

NHS

Research and
Development Forum

ICS and Research

Research and Innovation Strategy, Norfolk and Waveney ICS

Dr Clara Yates, Associate Director of Research, NHS NWICB

Vision:

To embed a culture of research, innovation, evaluation and evidence use across the ICS

Progress:

- Research and Evaluation Team embedded within the Medical Directorate of NW ICB
- Ideally placed to lead strategy development, with senior leadership buy-in
- Early discussions with R&D Leads across N&W

Challenges ahead:

- Meaningful consultation and engagement with all relevant system partners
- Workforce
- Words into actions
